Re: Camden Construction

Dear Mr. Presnell:

I would like to extend my gratitude on behalf of Roto-Rooter Services for the exceptional service provided by your contractor, Camden Construction, at our new location of 11707A West Sam Houston Pkwy South. James Smith, foreman for the project at our location, has done and continues to do outstanding work from start to finish. James has demonstrated quality in both workmanship, as well as, service to the customer. I greatly appreciate his attention and devotion to the needs of our business. The work of James Smith and Camden Construction truly distinguishes themselves as the best in the business.

Respectfully,
